

## Maintenance Fitter

- Full time role
  - Based in Lara
  - Market leading Australian manufacturer
- 

Air Radiators is an award-winning Australian Manufacturer, committed to the design and delivery of Heat Exchange and fan solutions across diverse markets both domestic and international.

This is a full time, permanent role, with hours between 6:30am - 3:00pm Monday to Friday, with a monthly RDO.

Reporting to the Maintenance Supervisor, the Maintenance Fitter is part of a small but robust maintenance team, who are committed to ensuring operations perform at optimum efficiency, productivity, and profitability.

This position provides effective maintenance and servicing of fixed plant, mobile equipment, and general maintenance on site, as well as maintains equipment in accordance with Statutory Requirements and Company Standards.

### Key skills and experience required

- Trade qualifications (Certificate III and Certificate of Proficiency)
- Heavy Industrial experience preferred but not essential
- Ensure all mechanical work carried out on plant and equipment is completed in an efficient and effective manner to meet company standards
- Competent in interpreting drawings
- Machine maintenance and troubleshooting experience with a demonstrated ability to identify faults using fault-finding techniques and to rectify problems
- Ability to conducting root cause analysis on failures and ensuring follow up actions occur on identified issues
- Ability to communicate in a clear and constructive manner both verbally and in writing
- Understanding of work planning and scheduling procedures with ability to prioritise
- Teamwork and willingness to co-operatively share knowledge and expertise

### Licences and tickets

- Forklift Licence
- Confined Space
- Rigger
- Dogman
- Work at Heights
