

Radiator Service & Assembly Technician

About Us

For 50 years, Air Radiators has been a top-tier company dedicated to the design and manufacture of heat transfer solutions. We work with major customers in the mining, railway, defence and government sectors, and we have a solid reputation for providing our customers local and globally with quality products and service.

As part of Adrad Holdings Limited, an ASX-listed business with headquarters in Adelaide, we have over 300 employees spread across Australia and Thailand. Operating as a group, we are a market-leading, vertically integrated designer and manufacturer of Original Equipment (OE) industrial radiators and cooling systems for high-end applications that shape the direction of heat transfer solutions in the future. Join us today and build a career you can be proud of.
