

Storeperson – Manufacturing & Logistics

About Us

Air Radiators is a leading Australian manufacturer of custom-engineered heat transfer products. Operating from our Lara manufacturing facility, we design and manufacture high-quality cooling solutions for customers across Australia and internationally.

Due to an internal replacement, we are seeking an experienced **Storeperson / Material Handler** to join our Warehouse team.

About the Role

Reporting to the Warehouse Manager, you will play an important role in supporting our manufacturing operations by ensuring materials are received, stored, moved and supplied to production safely, accurately and efficiently.

This is a varied hands-on role that combines warehouse operations, material handling and production support within a busy manufacturing environment.

Key Responsibilities

Your responsibilities will include:

- Receiving, inspecting and storing incoming goods.
- Preparing and issuing production job kits.
- Supplying materials and components to production.
- Bulk replenishment of production inventory.
- Loading and unloading vehicles.
- Operating forklifts and other material handling equipment.
- Maintaining inventory accuracy and warehouse organisation.
- Completing local deliveries and supplier collections when required.
- Supporting production activities as required.
- Maintaining a safe, clean and organised workplace.

About You

To be successful in this role you will have:

- Previous experience in a manufacturing warehouse environment.
- A current LF Forklift Licence.
- Experience operating both counterbalance and reach forklifts.
- A current Victorian Driver Licence.
- Good organisational skills and attention to detail.
- The ability to work both independently and as part of a team.
- A strong commitment to workplace safety.
- Willingness to undergo and successfully pass a pre-employment medical assessment (including functional capacity assessment) and Drug and alcohol screening

What we offer

Air Radiators offers a stable and supportive working environment where safety, teamwork and quality are highly valued.

- Permanent full-time employment.
- Above Award Enterprise Agreement conditions.
- Opportunities to develop your skills within a growing Australian manufacturer.
